RE: Request for Extension to Respond EPA's Letter of Request to Rainier Commons, Received 3/16/2020
Harbor Island Superfund Site, East Waterway Operable Unit
Request for Information and Documents
Section 104(e) of CERCLA, 42 U.S.C. § 9604(e)

Dear Ravi Sanga:

This firm represents Rainier Commons, LLC ("Rainier Commons"), the owner of the real property located generally at 3100 Airport Way South, in Seattle, Washington. On March 16, 2020, Rainier Commons LLC received the EPA's letter of request for information and documents pursuant to Section 104(e)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA).

Given the breadth and scope of the request and the concurrence of receipt of this request with our State's COVID-19 stay-at-home order, we are requesting an extension of time to gather, organize and electronically produce the response to the EPA. We are requesting an initial extension of 60 (sixty) days, to July 17, 2020.

Sincerely,

RYAN, SWANSON & CLEVELAND, PLLC
